A URI Production

Summer Special Preview!

- DREAMS is a unique & integrative mommy & me class for developmentally challenged children ages 4 to 7 years old
- DREAMS is an opportunity to experience:
 - An interactive movement & music class that is supported by empirical research
 - Network & connect with others in a natural & child friendly atmosphere
 - Participate in an educational discussion with handouts
 - Receive support & immediate observational feedback & suggestions about your child's social, emotional & cognitive functioning.
- DREAMS introduces the basics of unconditional teaching & parenting & tips on how to apply knowledge regarding the developmental processes of language, socialization & communication.
- DREAMS provides parents with the opportunity to connect & bond with their child through positive interactions free from reward & punishment.
- Snack provided
